Executive Director

NOTE FOR: SA/DDO

FROM: EA/ExDir

Peggy:

The appointment memoranda for officers appointed to SIS positions contain a statement that the officer has been cleared by OS, OP (SAS), OMS and IG. It is requested that similar clearances be obtained for officers nominated for chief of installation positions. At the present time this office is obtaining these clearances. This process would be expedited if the office which originates the memoranda would obtain the clearances and so state the results in its nomination memo.
